Advising

Medical Applicant Portal (MAP) is an online resource for Northeastern students and alumni to identify themselves to the PreMed and PreHealth Advising Program, receive information and updates, develop a portfolio of activities and experiences, and collect letters of evaluation and application materials.

[Register](#) for MAP! You can use the link on this page or visit your Student Hub to sign up. As a reminder, creating a MAP is not a binding action – students are free to follow or leave the PreHealth path at any time.
